Perryopolis.com has produced revenue of less than \$5,000.00 since its launch on April 1, 2000. During that period the Webmaster has invested \$148,000.00 in labor, equipment, and materials to make Perryopolis.com the finest home-town web site of any town or city of any size in the world. The webmaster never expected Perryopolis.com to show a profit, but needs your support to help defray the cost of maintaining the site.
